No. 469---F4/50 dated 9th June 1951.

Sir,

Sub:- INDUSTRIES - Tile Industry - Manufacture of glazed flooring and Mosai Tiles in South Kanara District - Experimental centre - Sanctioned - Regarding.

Ref:- G.O.Ms.No. 1592 Development dated 17th April '46.

In the G.O. cited, Government have sanctioned the employment of two skilled workmen on Rs. 30/- per month each and 3 labourers on Rs.15/- per month each excluding Dearness Allowance for the Tile experimental centre at Mangalore subject to the condition that the rates are not more than the prevailing market rates for similar classes of labour. The monthly wages inclusive of Dearness Allowance comes to Rs. 49/- and Rs.34/- respectively.

The Collector of South Kanara to whom a reference was made by the Ceramic Expert, has reported the prevailing market rates to be as follows:-

	Males.	Allowance.
Skilled.	0--8--0 per day.	400% of wages.
Unskilled.	0--6--0 per day.	400% of wages.

The above rates for skilled and unskilled workmen would work out to Rs. 60/- p.m. and Rs. 48/12/- p.m. respectively reckoning the month to consist of 24 working days. It may be seen therefor that the rates sanctioned by Government are much less than the prevailing market rates. In the circumstances, I suggest that the pay of the skilled workmen and labourers sanctioned in the G.O. cited may kindly be fixed as follows:-

Skilled workmen. .. Rs. 40/- p.m. plus D.A.

Labourers. .. Rs. 30/- p.m. plus D.A.

I request that Government may kindly issue immediate orders sanctioning payment increased wages as indicated above to the skilled and unskilled workmen, employed at the Experimental Centre.

for Director of Industries and Commerce.
